**INTERNET & WIRELESS TECHNOLOGY BASED TRADING FACILITY PROVIDED BY STOCK BROKERS TO CLIENT** (All the clauses mentioned in the 'Rights and Obligations' document(s) shall be applicable. Additionally, the clauses mentioned herein shall also be applicable.)

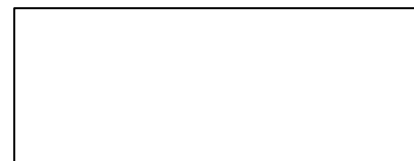

1. Stock broker is eligible for providing Internet based trading (IBT) and securities trading through the use of wireless technology that shall include the use of devices such as mobile phone, laptop with data card, etc. which use Internet Protocol (IP). The stock broker shall comply with all requirements applicable to internet based trading/securities trading using wireless technology as may be specified by SEBI & the Exchanges from time to time.
2. The client is desirous of investing/trading in securities and for this purpose, the client is desirous of using either the internet based trading facility or the facility for securities trading through use of wireless technology. The Stock broker shall provide the Stock broker's IBT Service to the Client, and the Client shall avail of the Stock broker's IBT Service, on and subject to SEBI/Exchanges Provisions and the terms and conditions specified on the Stock broker's IBT Web Site provided that they are in line with the norms prescribed by Exchanges/SEBI.
3. The stock broker shall bring to the notice of client the features, risks, responsibilities, obligations and liabilities associated with securities trading through wireless technology/internet/smart order routing or any other technology should be brought to the notice of the client by the stock broker.
4. The stock broker shall make the client aware that the Stock Broker's IBT system itself generates the initial password and its password policy as stipulated in line with norms prescribed by Exchanges/ SEBI.

5. The Client shall be responsible for keeping the Username and Password confidential and secure and shall be solely responsible for all orders entered and transactions done by any person whatsoever through the Stock broker's IBT System using the Client's Username and/or Password whether or not such person was authorized to do so. Also the client is aware that authentication technologies and strict security measures are required for the internet trading/securities trading through wireless technology through order routed system and undertakes to ensure that the password of the client and/or his authorized representative are not revealed to any third-party including employees and dealers of the stock broker.
6. The Client shall immediately notify the Stock broker in writing if he forgets his password, discovers security flaw in Stock Broker's IBT System, discovers/suspects discrepancies/ unauthorized access through his username/password/account with full details of such unauthorized use, the date, the manner and the transactions effected pursuant to such unauthorized use, etc.
7. The Client is fully aware of and understands the risks associated with availing of a service for routing orders over the internet/securities trading through wireless technology and Client shall be fully liable and responsible for any and all acts done in the Client's Username/ password in any manner whatsoever.
8. The stock broker shall send the order/trade confirmation through email to the client at his request. The client is aware that the order/ trade confirmation is also provided on the web portal. In case client is trading using wireless technology, the stock broker shall send the order/trade confirmation on the device of the client.
9. The client is aware that trading over the internet involves many uncertain factors and complex hardware, software, systems, communication lines, peripherals, etc. are susceptible to interruptions and dislocations. The Stock broker and the Exchange do not make any representation or warranty that the Stock broker's IBT Service will be available to the Client at all times without any interruption.
10. The Client shall not have any claim against the Exchange or the Stock broker on account of any suspension, interruption, non-availability or malfunctioning of the Stock broker's IBT System or Service or the Exchange's service or systems or non-execution of his orders due to any link/system failure at the Client/Stock brokers/Exchange end for any reason beyond the control of the stock broker/Exchanges

1. Your trading account has a “Unique Client Code” (UCC), different from your demat account number. Do not allow anyone (including your own stockbroker, their representatives and dealers) to trade in your trading account on their own without taking specific instruction from you for your trades. Do not share your internet/ mobile trading login credentials with anyone else.
2. You are required to place collaterals as margins with the stockbroker before you trade. The collateral can either be in the form of funds transfer into specified stock broker bank accounts or margin pledge of securities from your demat account. The bank accounts are listed on the stock broker website. Please do not transfer funds into any other account. The stock broker is not permitted to accept any cash from you.
3. The stock broker’s Risk Management Policy provides details about how the trading limits will be given to you, and the tariff sheet provides the charges that the stock broker will levy on you.
4. All securities purchased by you will be transferred to your demat account within one working day of the payout. In case of securities purchased but not fully paid by you, the transfer of the same may be subject to limited period pledge i.e. seven trading days after the pay-out (CUSPA pledge) created in favor of the stock broker. You can view your demat account balances directly at the website of the Depositories after creating a login.
5. The stock broker is obligated to deposit all funds received from you with any of the Clearing Corporations duly allocated in your name. The stock broker is further mandated to return excess funds as per applicable norms to you at the time of quarterly/ monthly settlement. You can view the amounts allocated to you directly at the website of the Clearing Corporation(s).
6. You will get a contract note from the stock broker within 24 hours of the trade.
7. You may give a one-time Demat Debit and Pledge Instruction (DDPI) authority to your stock broker for limited access to your demat account, including transferring securities, which are sold in your account for pay-in.
8. The stock broker is expected to know your financial status and monitor your accounts accordingly. Do share all financial information (e.g. income, networth, etc.) with the stock broker as and when requested for. Kindly also keep your email Id and mobile phone details with the stock broker always updated.
9. In case of disputes with the stock broker, you can raise a grievance on the dedicated investor grievance ID of the stock broker. You can also approach the stock exchanges and/or SEBI directly.
10. Any assured/guaranteed/fixed returns schemes or any other schemes of similar nature are prohibited by law. You will not have any protection/recourse from SEBI/stock exchanges for participation in such schemes.
